HELLO!!

Welcome to Eccleston Mere Primary School!

Some of you might already have older children at our school, but for some, this is your first time dropping your child at school.

A very brief introduction about me - I have been part of the Parents and Teachers Association (PTA) for a long time, but Chair for just one year. I have two children who attend our school. I chose to be involved as I wanted to build a sense of community spirit as well as finding ways to support the school financially. I have also met lots of parents along the way.

I am excited for the year ahead, through recent fundraising, we are thrilled to have been able to contribute towards the purchase of a new trim trail for the children which will be installed in the next few weeks.

We could only do this with thanks to the years of hard work that the PTA do which isn't always visible!

We have so many ideas for events that we would love to do, but this can only happen with enough support.

All funds raised, goes back into the school for all children to benefit from.

Please get in touch if you would like to be part of this group! We are a friendly bunch, you can be as involved as little or as much as you can.

Looking forward to meeting you all!

Tracey Leung-Fullerton - Chair

WHAT IS THE PTA?

Our aim is to raise money in a fun and sociable way, to provide our school with extra funding and to help make some fond memories! Funding is spent in various ways - from equipment to events, to enhance our children's educational experience and school facilities.

We also love to provide those 'little extras' that make school memorable such as these little gift bags for Reception parents, treating the children to Coronation bookmarks, post SATs treats and much more.

HOW CAN YOU HELP?

Supporting us first and foremost!

We appreciate any help that is offered, no matter how small. One hour or two, any time you can spare is welcomed, from Parents, to Grandparents, we are not fussy!

If you can help at an event, donate a raffle prize, or even provide your expertise in some way e.g. joinery, gardening, please contact us!

We always welcome ideas for ways we can raise money or suggestions for future events.
