**Eccleston Mere
Primary School**

We invite parents of prospective nursery and reception children to spend a morning with us, at Eccleston Mere Primary School, St Helens.

What do we offer?

- An Ofsted rated good school, with teachers who put children at the heart of what they do.
- Nursery places, available from 3 years old, including 30 hours places.
- Wraparound care, including a range of extra curricular activities.

What will our Open Day include?

- A presentation from the headteacher, with refreshments.
- A tour of school, led by our pupils.
- An opportunity to ask questions and see our school environment.
- A chance to see a selection of lessons, across school.

"Every morning, pupils come through the school gates with smiles on their faces. They want to come to school because they say their teachers make learning fun.

Within this family-like environment, pupils grow in confidence and develop emotionally and academically." (OFSTED, 2021)
